---

Thank you for your steadfast, long term, and in many instances- volunteer- efforts in our community! Your hours of work and service truly make a difference to the quality of life for those who reside in Gettysburg and Adams County.

The Rotary Club of Gettysburg is honored to offer this opportunity to support your projects. As each of you are all too aware, times continue to be challenging, fundraising more and more difficult, resulting significantly fewer funds available for 2017. We share your frustration as you attempt to provide more services with ever shrinking resources.

The Rotary Club of Gettysburg would like to be part of the solution. Attached is a grant application for 2017 Rotary Club of Gettysburg Community Fund that awards funds needed by April 7, 2017. Please feel free to use additional space/pages as necessary to answer the questions; submitted applications are typically 2-4 pages in length.

The application and this cover letter is also available at Rotary Club of Gettysburg's website, [www.gettysburgrotary.org](http://www.gettysburgrotary.org) in Microsoft Word format.
